

ACT President's Report

In the ACT we continue to dance Mainstream, Plus and A Levels as well as Round Dance.

What did the ACT do in 2019.

In March, we did a square dance demonstration at a school fete. In April, we were asked to hold a stall at one of the local shopping centres to promote square dancing and we were asked to return again in September to do a demonstration at the same shopping centre. In June, we celebrated Kerr-Ly-Q's 40th birthday, this was well attended by our local dancers and some visitors. Also in June some of our dancer's attended the first Half Way Dance in Holbrook.

The ACT Society was again represented at the National Convention in Tasmania with one dress set. We also had a social outing with another Theatre Show.

In October we were lucky enough to have Brian Hotchkies call for us with a great night of dancing.

To round out our year, the society held a picnic for this year's Christmas party. The weather was beautiful and it was a lovely way to end our year of dancing.

Finally, Raymond Bates who is our Newsletter editor and Web Administrator has been working to rebuild the ACT website. Please head over and check it out at <https://www.squaredancecanberra.org> and you can also check out our Facebook Group called "Canberra Square Dancers".

Helen Bates President ACTSDS.
