

Western Australia President's Report

As we write this, we cannot help but think of the catastrophic bush fire events across the nation. Our thoughts go out to all affected. It will take a long time to fully recover from the effects. Fund-raising events organised by WA clubs, dancers, callers have been well supported.

On a brighter note it is National time again and we look forward to gathering in the Blue Mountains for the 61st Australian National Square Dance Convention. Our thanks go to the Committee for their hard work and commitment in putting together what looks to be a fantastic Convention. We wish all dancers attending a wonderful Convention and safe travels.

Coming up later in the year we have the 42nd WA State Square Dance Festival. This is being held in Kalgoorlie on 9-11 October 2020. The Committee is putting together a fun weekend of dancing and is planning activities in addition to dancing. There has not been a square dance presence in Kalgoorlie since the Kalgoorlie Moving Stars Club closed in 1979. We are looking forward to reacquainting the area with square dancing. Check out the Festival's Facebook page for more information.
